

Objectives and Sticky Knowledge

Sky objectives:

1. Join in a short conversation (3 exchanges each)
2. Read and write words, phrases and a few sentences using a model.
3. List some similarities and differences between contrasting localities

FR

Unit Objective: To be able to buy vegetables at a French market stall

By the end of this unit we will be able to:

- Name, recognise and recall from memory up to 10 vegetables in French.
- Attempt to spell some of these nouns with their plural article/determiner.
- Learn and use the high frequency verb **je voudrais** from the verb **vouloir**, to want in French.

Phonics & pronunciation we will see

Recommended phonics focus: CH OU ON OI

- **CH** sound in **champignon**
- **ON** sound in **oignon**
- **Liaison.** The reason why the final letter 's' in **les** is sometimes pronounced and sometimes left silent in the unit is due to liaison in French. If the article/determiner is followed by a noun that starts with a vowel – a normally silent 's' is pronounced by as a 'z' sound. As with **les oignons, les épinards** and **les aubergines**.
- **H Aspiré.** The letter 'h' in **haricots** is called a **h aspiré**. It is still a silent 'h' and not pronounced but it acts like a consonant. The final 's' in **les** remains SILENT when used with **haricots verts**.
