

Objectives and Sticky Knowledge

Previous Knowledge:

I can recognise how our needs change over time

Land Objectives and Sticky Knowledge:

<p>I am able to recognise the skills that I might need in my future working life.</p>	<p>I recognise why it is important to keep our communities and countryside clean.</p>
<p>I understand different ways that we can receive money. I know how to keep money safe. I know the difference between wants and needs. I can say what skills suit different jobs or careers.</p>	<p>I understand why we should look after living things. I can tell you some ways that we can keep our environment clean. I know how to encourage others to care for the environment.</p>

Litter pick in our environment
Posters to stop people from throwing litter

Links with CST and CTK values:

Stewardship – We need to care for the earth.
Solidarity - We are all one big family.
Participation - We all want to work and contribute to our communities.

Key Facts

- Stable, caring relationships, which may be of different types, are at the heart of happy families, and are important for children’s security as they grow up
- For a healthy family life, it is important to care for, protect, and spend time with each other
- People in your community have different roles and responsibilities
- Money comes in different forms and from different sources
- People make different choices about saving and spending money

Ask me a question!

- How can we look after others?
- How can we look after our pets?
- How can we look after house and garden plants?
- Why do we need money?
- How can we receive money?
- How can we spend or save money?

By the end of these topics, I should:

- understand why we should look after living things
- be able to identify how we can look after living things both inside and outside of the home
- recognise why it is important to keep our communities and countryside clean
- be able to encourage others to help keep their communities and countryside clean
- understand different ways we can receive money
- know how to keep money safe
- be able to describe the skills you may need in a future job or career
- be able to recognise the differences between wants and needs

I will learn the following new words/ phrases:

Wildlife	<i>A planet is a large object that orbits a star.</i>
Community	<i>A group of living things that share the same environment.</i>
Credit Card	<i>A card that allows the owner to buy goods or services and pay for them later.</i>
Debit Card	<i>A card that allows the owner to withdraw money or pay for goods or services using money in their bank account.</i>
Spend	<i>To exchange money or vouchers when buying a product or service.</i>
Receive	<i>To get or be given something.</i>
Save	<i>To place money in a money box or bank account to use at a later date.</i>

Sky Objectives:

Children start to accurately name the different feelings they experience.

Children can explain the different types of relationship they have with other people.

Children can be helpful at appropriate times or seek help when needed.
