

Objectives and Sticky Knowledge

Previous Knowledge:

Explain the meaning of reduce, reuse, recycle.
Recognise ways of looking after the planet.
Identify how to reduce the amount of water and electricity we use.
Understand how to reduce our carbon footprint.

Learning Objectives and Sticky Knowledge:

I can describe the positive contribution that I can make at home, school and in the community; explaining its positive impact on others.

1. I can identify ways in which we can help those who look after us.
2. I can explain the positive impact of my actions.
3. I can identify how team work and a strong work ethic can help me in the world of work.

Key Vocabulary

feelings	Emotions such as love, anger, fear and joy.
emotions	Strong feelings
Emotional health	Emotional, psychological, and social well-being
Physical health	The well-being and overall physical condition of your body.

I will learn the following new words/phrases:

Income tax	An employee will pay a percentage of their wages to the government.
VAT	An amount added to items purchased.
Contribution	Something you give or do that helps achieve an end result.
HM Revenue and Customs	The UK's tax, payments and customs authority.
Society	A group of people living as a community.
Chore	Everyday work around a house or farm.
Independence	Not influenced or controlled by others.
Self-motivation	Able and willing to work without being told what to do.
Apprenticeship	An arrangement in which someone learns an art, trade, or job under another.
Volunteer	A person who does something, especially helping other people, willingly and without being forced or paid to do.
Stereotype	A set idea that people have about what something or someone is like.

By the end of these topics, I should:

- identify ways in which we can help those who look after us
- explain the positive impact of our actions
- describe the ways in which we can contribute to our home, school, and community
- identify the skills we may need in our future job roles

Key Facts

This tab is sleeping to save resources.
